The incisive debut play from award winning writer Michelle Law is sassy, fierce and laugh-out-loud funny!

Step into the after-hours of the Golden Phoenix restaurant and meet a family of whip smart women who are definitely talking about you in their native tongue.

Pearl is the quintessential matriarch – balancing family, business and her love of karaoke. Daughters Zoe, in the throes of online dating, and Mei, a teenager grappling with her identity in modern Australia, are embarrassed by their mother's onslaught of hilarious observations and don't think things could get any worse. Until Pearl reveals a secret that threatens to tear their family apart.

Single Asian Female is a smash hit comedy exposing Australian domesticity like you've never seen it before.
